## **Polaris Charter Academy After School Program**

### **Homework Help**

Students will have dedicated homework time where they learn how to organize tasks, manage their time, problem solve, and work towards a goal - all skills that contribute to successful habits for their future.

### **Enrichment**

Orion's University focuses on inspiring the mind and body with an open selection of enrichment activities. Students have fun with project based learning such as Lego robotics, dance, martial arts, film, drama and many more interactive activities. .

### **Tutoring**

Orion's University sparks a renewed interest in learning. Students run, jump, sing, dance and build while learning math and reading concepts.

### **Program Details**

Orion's University will operate at the Polaris Charter Academy in the afternoon from 4:00 - 6:00 pm.

### **Low Cost**

Our unlimited subscription is offered as low as \$14 per day.\* ***Financial assistance is available for families that qualify.*** If you are interested, or would like more information please contact Lindsey Bates at 312.647.3521 - 312.513.5234, or email him at [LBates@orionsu.com](mailto:LBates@orionsu.com).
