Committee Reports

Finance Committee: (Elizabeth, Joel)

Spring Event Recap
- Gross $110,255 (with Employer Matches: $118,255); Net: $104,312.33
- Blue Plate, the caterer, waived the fee for the venue and provided passed hors d’oeuvres at no cost.
- The event had 150 attendees, including Toni Preckwinkle and Alderman Burnett

Finance Committee Update
- We currently estimate that FY2017 will end at a loss of $49,000, instead of a loss of $100,000, as originally forecast. This shortfall stems from a decrease in state funding, lower-than-projected private funding, and low collection of activity fees.
- For the FY2018 preliminary budget, we are looking to offer a salary adjustment for teachers, make an investment in marketing, and work toward a significant increase in private funding. Joel moved to approve the preliminary budget; Lauren seconded; all approved.

Development Committee: (Lauren, Tina)

- Associate Board Pipeline/Update: A meeting is schedule in July to set up a plan for FY2017-2018.
- Board Fellow, Claire Henderson, will focus on marketing strategy. Tina will serve as mentor/liaison.

Governance Committee: (Arun)

- We need to refocus on strengthening our Board pipeline, as Nancy Curby has stepped down, and Joel will be stepping down after the August meeting.
- Arun will continue to reach out to the Board to see if anyone has interest in chairing the Governance committee.
