

## 2019-2020 Polaris Board Key Objectives

As we partner with the Polaris school leadership team during the 2019-2020 school year, board members should collectively focus on the following key objectives...

### 1. Growing the Board

Build a pipeline of interested board candidates. Introduce them to board members, school personnel, and students. Invite them to the spring fundraiser. Determine if full board membership is a good fit. Our goal is to have 10-13 active board members by January 2021.

### 2. Actively Participating in Fundraising Initiatives

Work with the Leo Latz team when requested. Engage individual networks to support Polaris, including attending the winter fundraiser and the spring fundraiser.

### 3. Formalizing Board Practices

Circulate board packets at least four days prior to board meetings. Complete all necessary board training and paperwork.

---
